

Head Shots Price List

All packages include high-resolution photos, mini resolutions photos (for social media), skin touch-up, teeth whitening (on request only), blemish removal, and full photo release for publications and printing.

Classic Package **\$150**

These are quick and easy for those who do not like to be in front of a camera but understand the importance to keep your headshots up to date. This is at most a 30-minute session.
